1st ANNOUNCEMENT

Welcome Message

Dear colleagues,

Spine surgery is an evolving field of Orthopaedics and Neurosurgery. It requires both deep theoretical knowledge and surgical skills in order to practice spine surgery. This course comprises both the Orthopaedic and the Neurosurgical view in training and is designed for senior residents and young spine fellows with an interest in developing their expertise in spine surgery.

Participants will develop deep knowledge through expert lectures on anatomy, indications and contraindications, surgical techniques and instrumentation, combined with intense practical training on anatomical specimens.

The objective of the course is to gain an understanding of thoracolumbar and sacral fracture management and stabilization as well as surgical treatment of the most common lumbar pathology, disc herniation and lumbar spinal stenosis.

Demonstrations of surgical techniques of stabilization, and microsurgical approaches for the management of degenerative spine pathology will be performed during the cadaveric workshop.

Attendees will have the opportunity to practice all presented surgical techniques, pedicle screw placement, kyphoplasty, spinopelvic fixation techniques, microdiscectomy and lumbar decompression techniques, under the supervision of spine experts at the laboratory.

We would like to welcome you to this course hoping to give a robust start in your career.

Ioannis Gelalis MD, PhD

Associate Professor of Orthopaedics
Spine Surgeon
University of Ioannina, Medical School

Efthimios Samoladas MD, PhD

Lecturer in Orthopaedics
Spine Surgeon
Aristotle University of Thessaloniki, Medical School

Topics

Surgical anatomy of thoracolumbar, lumbar and sacral spine

Imaging of normal anatomy of thoracolumbar, lumbar and sacral spine

Imaging of thoracolumbar, lumbar and sacral injuries

Thoracolumbar fractures

Sacral fractures

Osteoporotic fractures

Surgical treatment of thoracolumbar fractures

Pedicle screws insertion techniques

Spinopelvic, sacropelvic fixation techniques

Lumbar disc Herniation

Anatomy and pathoanatomy of lumbar disc

Preoperative MRI imaging of disc pathology

Types of lumbar disc herniations, surgical approaches and techniques

Revision disc surgery

Lumbar spinal stenosis

Lumbar stenosis pathoanatomy

Imaging of lumbar spinal stenosis

Lumbar spinal stenosis - types and decompression techniques

Adjacent segment degeneration after lumbar spine surgery

Proximal junctional kyphosis

Registration

Registration Category	Registration Fee
Theoretical & Cadaveric Sessions	
Specialists	400,00 €
Residents	300,00 €
Theoretical Sessions	
Specialists	100,00 €
Residents	80,00 €

European VAT Rules apply

Above registration fees include:

- Attendance of the respective sessions depending on the registration category selected
- Delegate Material, including final program

To proceed with your registration, you can either visit the official website and proceed with the on-line registration from the registrations page, or complete and send the registration form found on the last page of this document (editable fields) and send it via e-mail to the secretariat: dnikolopoulou@concopco.com

Means of Payment

- **Online** via the payment system at the following link:
<https://www.concopco.com/pay/pay?conf=spineworkshop>, to proceed with payment via credit card.
- **Via bank transfer**
ALPHA BANK
IBAN: GR4601401550155002002009228, SWIFT CODE: CRBAGRAA
Beneficiary: CONCO MEETINGS & EVENTS. All bank charges are to be borne by the payer
Please quote your name upon making payment and send us the deposit slip/proof of transfer

Cancellation Policy

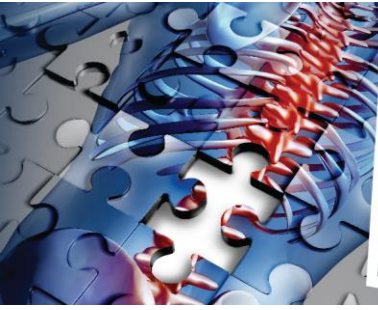

Cancellations must be submitted via e-mail to the secretariat at dnikolopoulou@concopco.com

- For cancellations submitted until 28 February 2020, 50% of the total participation amount will be withheld as cancellation fees
- For cancellations submitted from 29 February until 10 March 2020, 80% of the total participation amount will be withheld as cancellation fees
- No refunds will be made after 11 March 2020

Name Changes

Name changes must be submitted via e-mail to the course secretariat at dnikolopoulou@concopco.com

- For name changes submitted until 28 February 2020, no extra charge will apply
- For name changes submitted from 29 February until 10 March 2020, 30 € per name change will be charged for secretariat fees
- No name changes are possible after 11 March 2020
